ACTIVITIES

In Medjugorje

Some of the activities in Medjugorje:

Climb Apparition Hill: This is the site where the visionaries first encountered Our Lady. At the base stands a Blue Cross, marking the spot where Our Lady appeared to the children as they hid from the communist police during the early days of the apparitions. While ascending, participants are invited to pray the Rosary, taking breaks five times for each decade. At the summit, you will have time for personal prayer.

Climb Mt. Krizevac (Cross Mountain): In 1934, locals erected a 30-foot high cross on this mountain to honor Jesus' passion and crucifixion. As you climb, the group will pray the Stations of the Cross, pausing fifteen times for each Station.

Apparitions: Each evening at 6 PM during the summer, the group joins villagers and fellow pilgrims to pray the Rosary, eagerly anticipating Our Lady's arrival to the visionaries. After the apparition at 6:40 PM, there is an International Mass followed by a Blessing of the Sick.

Adoration of the Blessed Sacrament: Our Lady encourages closeness to her Son. You can adore the Blessed Sacrament at the outdoor altar of St. James Church or inside the church itself. Adoration takes place on Tuesdays, Thursdays, and Saturdays. Additionally, Veneration of the Cross occurs on Fridays, and there is an Adoration Chapel on the St. James Church grounds open for afternoon adoration.

Meetings with the Visionaries: These gatherings are subject to their availability.

Prayer at the Statue of the Risen Christ: A bronze statue of the Risen Christ is situated on the grounds of St. James Church, where many pilgrims sit on nearby benches to pray in this serene setting. And much more...
